

Montana Medicaid - Fee Schedule
Community First Choice
July 1, 2015

Description – Procedure code short description. You must refer to the appropriate official CPT-4 or HCPCS coding manual for complete definitions in order to assure correct coding.

Modifier - When a modifier is present, this indicates system may have different reimbursement or code edits for that procedure code/modifier combination. For example:

U9 = self-directed

TS = follow-up service used for personal assistance and self-directed personal assistance.

Effective – This is the first date of service for which the listed fee is applicable.

Method – Source of fee determination

Fee Schedule: Rates listed are maximum paid. Providers must bill Medicaid the negotiated rate agreed upon

PA – Prior Authorization

Y: Prior authorization is required

Space: Prior authorization is not required
